

RKB diamant®

Drive Belt Fluid and Spray

Version: 10.09.2025

Area of Application

For improving the running and tensile strength of drive belts of all kinds.

- Extends the service life of belts and prevents encrustations in dusty areas.
- The liquid form makes the balm easy to apply.

Properties

Adhesive, but not sticky

Silicone-free

Provides maximum tensile strength

Examples of Use

Drive belts and conveyor belts in all areas, e.g., automotive, machine tools, washing machines, packages, and much more.

SAFETY: Spray based on flammable propellant gas!
